You and Snowy

Making a difference, together

Dear Ms Stewart,

Thank you for sponsoring a guide dog puppy on behalf of Miss Munro. With your help, Snowy could become a fully trained guide dog and make a real difference to the life of someone with sight loss.

What's really exciting is that Miss Munro can follow Snowy's journey – from her first tentative steps along the pavement, to the proud moment when she meets her guide dog owner. Your support could help with essentials such as food, training and vet's bills.

To get started, we've sent Miss Munro the first photo of Snowy and a special album to keep it in. As a thank you we've also enclosed the first photo for you. We'll send more photos to Miss Munro throughout the sponsorship, showing Snowy as she grows up.

Miss Munro will also receive regular Pupdates, with the latest news about Snowy and her progress, adventures and training. As well as lots of interesting facts about guide dogs.

We expect Snowy to be helping someone with sight loss in around 24 months. But that doesn't have to be the end of the journey. When she graduates we will introduce you and Miss Munro to another young puppy just starting out on its training.

I would also like to thank you for stating on 15/09/2011 that Guide Dogs can claim Gift Aid on all donations you have made in the last four calendar years, and until further notice. This allows us to reclaim 25p per £1 in tax on your donations. Please notify us if you no longer pay an amount of UK Income Tax and/or Capital Gains Tax at least equal to the tax that we will reclaim on your donations in the appropriate tax year (6 April one year to 5 April the next). If you do not wish us to reclaim tax on your donations, you may cancel this declaration within 30 days of the letter and no Gift Aid will be claimed. Please notify us of any changes in your name or address whilst this declaration remains active.
